

## **What is the outlook for venture investment in the USA?**

NZVCA invites you to join us for lunch with Matt Kirmayer, a partner in San Francisco firm Mintz Levin, specialising in emerging technology companies, venture capital and private equity funds. Matt is in New Zealand to further his work with NZTE and companies engaged in the US market. We invite you to join a private table for 10 people interested in a current view from the US and the implications for NZ companies.
